

Being a Rotary Youth Exchange Student Will be the Greatest Experience of your life!

As a Rotary Youth Exchange student in 2013, you'll spend a year living with host families in a country other than your own. You may learn a new language; you will learn a new way of living – and a great deal about yourself. While you're busy learning, the people you meet will be learning too – about your country, your culture, and your ideas.

You will be a young ambassador.

You will be helping to bring the world closer together as an ambassador for Rotary and your country – and you'll be making some good friends in the process.

What does the Program cost?

The 2013 Rotary District 9600 package is likely to cost each family between \$8,000 and \$9,000 + fuel surcharge, paid in instalments. The first instalment is a \$500 application fee, \$2,500 acceptance fee and the remaining balance in two equal instalments which will be required on 1st August and 1st October 2012. The fuel surcharge is paid separately.

Host Rotary Clubs usually provide students with an allowance to cover incidentals, but your family will need to supplement this, with the major expenses being host country safari and clothing. Plan on a minimum of \$6,000. Although some students spend more than this during their exchange year, they are expected to budget responsibly.

The Program provides the following:-

1. Airfare from Australia to your host country. Transport to Australian departure point.
2. 12 months accommodation and monthly allowance.
3. Comprehensive travel and health insurance.
4. Administration and support service for your year away.
5. Selection weekend.
6. Two orientation weekends. Briefing, accommodation, and meals.
7. One week Sunshine Safari tour with other exchange students.
8. Uniform, badges, and business cards.
9. Visas.
